Dear Ms. McIntosh:

This will follow up our discussions regarding EPA's general notice letter to Union Pacific concerning a removal action at Bone Hole County Park. EPA is available for an in person meeting at the EPA Region 7 office on the afternoon of either April 13 or April 14, 2016, to discuss this matter. Please let me know which date is best. This will also confirm that pursuant to your request EPA agrees to an extension of time for Union Pacific to respond to the general notice letter over to April 27, 2016.
